Subject: Chat with William Walshe
From: William Walshe <billywalshe@gmail.com>

me: who's Tyler Bass?
William: writes for disinfo, chronicle, et al
me: I've never thought Tom Ryan is jester
William: he said so in an interview.
me: I know, he's either confused or lying, he also lied about whether or not he was working with Aaron Barr against Anon
me: but accidentally included his forwarding of OWS e-mails to Barr when he gave them to Breitbart
me: then put out non-explanation saying "Oh, we have some of the same friends at FBI field office"
